

# Homework Challenge

## Where in the World is...My Favourite Place?

Pick a place anywhere in the world that is special to you. It might be a country, a city, a town, a beach, a mountain, a river, a garden or something else.

- Find a map to show where in the world it is
- Find a photo of it or draw it
- Write about why it is your favourite place (about 100 words)

Do your work by hand or on the computer.  
Make sure it is on paper so that it can be part of a display

# Homework Challenge

Create your own illustrated continent map like the ones in the video below.  
Pick your favourite continent.
